

Egremont Board of Health

Thursday August 22, 2019, 10:00 am

Egremont Town Hall

Members Present: Charles Ogden, Chairman, Dr. William Rose, Ellen Maggio

Also In Attendance: Dr. Robert Furlong

Recording: Juliette Haas, Director

- 1) Chairman Ogden called the meeting to order at 10:03 am. The minutes from the August 1, 2019 meeting were accepted with minor revisions. The minutes from the July 11, 2019 were accepted with minor revisions as quorum from that meeting was met.
- 2) Board requested information on Piranha system installed at 66 Creamery Road and MGL on noisome trade be emailed to them. Board also asked if corrected and approved minutes be emailed to them.
- 3) **Prospect Lake Campground** The July report from their system operator was discussed. According to report system is running well. No complaints of odor have been received from the abutter in the past two weeks.
- 4) **Signs of Prospect Lake Road** The board approved the replacement of the two EBoH signs at Prospect Lake Road public swimming access.
- 5) **Rasch/121 Baldwin Hill South** The board reviewed septic plans for new construction (converted barn) submitted by Kelly, Granger and Parsons. The board did not approve revised plans pending submission of new lot property line and well location.
- 6) **Psaila/Krassner/Baldwin Hill NS** Board reviewed plans for new construction submitted by Kelly, Granger and Parsons. Plans were approved pending Jayne Smith's review.
- 7) **Granville/51 McGee Road** Complaint was received via email from a resident in the vicinity of this home stating home is unsightly, overgrown by the shrubs and a vacant car in driveway. Director Haas will contact the owner.
- 8) **Recent Field Work:**
 - Title 5/72 Creamery Road - pass
 - Title 5/36 Mt. Washington Road - pass
 - Title 5/34 Main Street/South Egremont Congregational Church – conditional pass. A newer 1000 gallon tank was installed (without a permit) which goes into a small Tru-vap. Kitchen water goes into a separate dry well. System is very undersized. A letter will be attached to the Title 5 stating that if the use of the building is changed in the future, the system will probably need to be upgraded.
- 9) **EEE/WNV Update** EEE has been detected in four human cases in Massachusetts so far this summer with one fatality. Director Haas will continue to monitor.
- 10) **Flu clinic date** Director Haas was asked to check on the Fall Flu Clinic date.
- 11) **September meetings:** September 12th at 10:00 am and September 26th at 3:00 pm.
- 12) Meeting adjourned 11:05 am.

*Approved 9/12/2019
